INTERNAL HOUSE DOORS – prices include primer and VAT @ 20%

We manufacture a range of MDF internal house doors to any size. The proportions are variable so that the rail and panel dimensions can be individually specified. The finished doors are both solid and stable.

- Traditional construction in standard MDF (moisture resistant and fire resistant specification available upon request)
- 35mm to 45mm thick
- Softwood lipping to vertical edges (to facilitate lock and hinge fittings)
- Six Period styles
